## Oligonucleotides Submission Form

---

### Contact Information

Name: \_\_\_\_\_ Department: \_\_\_\_\_

Research Group: \_\_\_\_\_ Email: \_\_\_\_\_ Telephone \_\_\_\_\_

Project Code/Charge Account \_\_\_\_\_ Date: \_\_\_\_\_

---

### Sample Information

Number of samples: \_\_\_\_\_

Sample ID( multiple samples can be submitted here) \_\_\_\_\_

Sample submitted as: Lyophilised  Dissolved in water

Sample Volume supplied: \_\_\_\_\_ Sample concentration: \_\_\_\_\_

Sample molecular weight: \_\_\_\_\_

Sample Purification: RP-HPLC

Sequence (Written 5'-3'): \_\_\_\_\_

---

### MS Analysis

MALDI -TOF/TOF

LC-MS

**Note:** The Oligonucleotides service includes both running of samples and data analysis. We aim to send results back to you within two weeks of submission but please be aware that MS instruments are complex pieces of equipment, then downtimes are expected and can add to waiting times.
